U.S. DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

CHENG LE,
Plaintiff

v.

United States of America,
Defendant.

Civil Action No.: 1-20-CV-1782-ALC

Motion for an Extension of Time
to File a Notice of Appearance

The Plaintiff's family, who financially supports him, has tested positive for the new XBB 1.16 COVID variant and been hospitalized since early May. The Plaintiff had not been able to learn of this news until about 2 days ago when his parents, both now in their sixties, finally recovered enough to contact him. The Plaintiff's parents are still experiencing symptoms, and the Plaintiff can not be certain that they will be fully recovered and discharged from hospital before the current June 5 deadline to make the international money transfer in payment of counsel's retainer fees in time. Wherefore, erring on the side of caution, the Plaintiff respectfully requests a 30-day extension of the June 5, 2023 deadline or an extension of any period the Court deems fit. The Plaintiff profusely apologizes to both the Court and the Government for the delay.

Respectfully Submitted,

CHENG LE
